Snow groomer tour

Basic Experience Monster blades, a weight of 12 tons and 500 PS - snow groomers are real powerhouses! This is your chance to ride in a snow groomer, to experience the power of these impressive piste caterpillars live and to get a behind-the-scenes look at the art of slope grooming.

Extended Experience Are you into especially steep slopes and want to experience the extreme capabilities of our snow groomers first-hand? The Extended Experience is the perfect fit for you. You get to accompany us for a whole shift and experience the potential of our fleet. Roped up on a steep slope, you will help prepare even the trickiest slopes. And to round off the experience, you will ride back down to the valley on our Skidoo once the work is done.

Dates Tuesdays 17 Dec 2024 - 25 Mar 2025
Special dates Mondays 23 & 30 Dec 2024
